## Give Your Portfolio Overseas Potential

### REASONS TO OWN FUND

Diversify your portfolio into international companies through a Fund offering:

- **Growth potential from other continents:** Brandes LP searches the international landscape for businesses that their analysis determines are selling at prices below fair value, and have significant growth potential.
- **The winning value style:** the value style has historically outperformed over the long term in international equities. And Brandes LP is always true to the value style.
- **Experience and know-how:** Brandes LP has been researching and investing in companies all over the world for over 40 years.
