The Lazard Global Balanced Income Fund is a multi-asset portfolio designed to produce lower volatility while generating income and long-term growth. This is achieved through dynamic allocation to specialized Lazard investment portfolios covering a range of asset classes.

Features

- Holds global high yield equities, global low volatility equities and global fixed income
- Seeks to add value through security selection and asset allocation
- Ability to actively change allocation to equities and fixed income
- Foreign currency exposure is dynamically hedged back into Canadian Dollars
- 4% targeted annual distribution, paid monthly

Benefits

- Provides access to a variety of income sources from outside of Canada
- Offers two sources of potential alpha generation through all market cycles
- Can re-position to participate in rising markets and defend in declining markets
- Manages foreign currency risk with the goal of reducing volatility and generating returns
- Provides a monthly income stream
