

Class K (US\$)  
as at June 30, 2017

**Designed to produce lower volatility while generating income and long-term growth.**

## REASONS TO OWN FUND

The Fund offers access to:

- A range of income-producing asset classes such as: global bonds, global high yielding equities, and global low volatility equities
- A dynamic asset allocation process that adjusts exposure to equities and fixed income
- A diversified global portfolio that focuses on managing risk in declining markets
