## Three Sources of Return. Two Proven Value Managers. One Unique Income-Producing Fund.

### REASONS TO OWN FUND

Aims to give you greater peace of mind about your financial future through:

- **Dividends, interest, capital gains:** equity portion is designed to provide a healthy dividend stream, while U.S. corporate bonds provide a source of interest income. Both are managed with a goal of delivering capital gains.
- **Sionna and Brandes LP:** Sionna constructs a Canadian equity portfolio seeking undervalued companies paying above-market dividends, while the Brandes LP Fixed Income Group builds a value fixed-income portfolio of U.S. corporate bonds.
- **Diversification, income and growth:** This Fund offers access to a variety of asset classes, market capitalizations, and sectors—while delivering a monthly distribution (targeted at 5% annually).
