TO THE SIMPLIFIED PROSPECTUS OF THE BRIDGEHOUSE FUNDS  
DATED SEPTEMBER 28, 2020**

**(the “Prospectus”)**

**in respect of:**

Series A securities, Series F securities and Series I securities of:

**GQG Partners Global Quality Equity Fund

**(the “Funds”)**

Unless otherwise specifically defined, the terms utilized herein have the respective meanings set out in the Prospectus.

## **1. Introduction**

The Prospectus is amended effective November 27, 2020, to reflect the addition of a U.S. dollar purchase option applicable to Series A securities, Series F securities and Series I securities of each of the Funds.

## **2. Technical Amendments**

The technical amendments to the Prospectus required to effect these changes are set out below, each effective as of November 27, 2020.

(a) The following bullet point is added as the last bullet point in the list in the third full paragraph on page 13 under the sub-heading “**Purchases**”:

- *For securities purchased in U.S. dollars, we calculate the NAV in Canadian dollars and convert it to U.S. dollars using that day’s exchange rate being the U.S. dollar/Canadian dollar WM/Reuters spot rate at 3:00 p.m. (Toronto time) (or as at an earlier time as markets close). See U.S. dollar purchase option on page 17 for details.*

(b) The second last full paragraph on page 13 under the sub-heading “**Purchases**” is deleted in its entirety and replaced with the following:

**Minimum Investment** - *The minimum initial investment for Series A or Series F is \$1,000 for any of the Funds. The investment minimum may be waived for purchases made by investors who purchase through a discretionary managed account. Minimum dollar amounts apply in Canadian dollars or U.S. dollars, as applicable. We will determine, and from time to time may change or waive, the minimum amounts for initial and subsequent investments in any series. We will not accept cash or travellers’ cheques.*

(c) The last paragraph on page 15 under the sub-heading “**Switches**” is deleted in its entirety and replaced with the following:

**Switching between series** – You may also be eligible to switch securities of one series into securities of another series of the same Fund (at their respective net asset values per security), if you meet the requirements for that series (see Series of securities on page 12). Any switch to Series F securities must be approved by Bridgehouse. You may only switch U.S. dollar denominated securities of one series into U.S. dollar denominated securities of another series of the same Fund. A switch between series of the same Fund is not a disposition for tax purposes. See *Income Tax Considerations for Investors* on page 21 for details. Any switched securities will be subject to the redemption charges that applied to the original securities.

- (d) The following paragraph is added to page 16 as the third paragraph under the sub-heading “**Pre-authorized debit plan (PAD)**”:

*PADs are also available under the U.S. dollar purchase option. (See U.S. dollar purchase option on page 17).*

- (e) The following section is added to the top of page 17 immediately following the sub-section “**Systematic withdrawal plan (SWP)**”:

**U.S. dollar purchase option**

*You may choose to purchase Series A securities, Series F securities and Series I securities, as the case may be, of the Funds in U.S. dollars.*
