<p><i>Voting Policy Rationale: Items 4-9A vote FOR these Directors is warranted as no significant concerns have been identified. Item 10A vote for the election of Paul Walker is warranted although it is not without concern because: * His total number of external time commitments raises questions over his ability to devote the necessary time to each of his roles. However, support is warranted for the following reasons: * He will be stepping down from the Board of Experian plc in July 2019 so a degree of flexibility is considered appropriate; and * No other material concerns have been identified.</i></p>
